2013-2014 DRAFTING INSERT
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRB-0582/lins.

INSERT ANALYSIS

Current law generally prohibits a local governmental unit from enacting or adopting any ordinance or restriction (restriction) that regulates hunting, fishing, trapping, or management of wild animals except on land ~~that~~ the local governmental unit owns or leases or unless state law specifically authorizes the local governmental unit to enact or adopt such restriction. Current statutes also specify that a local governmental unit may enact or adopt a restriction that has an incidental effect on hunting, fishing, or trapping, but only if the primary purpose is to further public health or safety.

This bill provides, with an exception, that a local governmental unit may not enact or adopt a restriction that prohibits hunting with a bow and arrow or crossbow within the jurisdiction of that local governmental unit. Under the exception provided in the bill, a local governmental unit may prohibit a person from hunting with a bow and arrow or crossbow within a specified distance, not to exceed 100 yards, of a building used for human occupancy that is located on another person's land. The bill specifies that the restriction must provide that ~~the restriction~~ does not apply if the person who owns the land on which the building is located allows the hunter to hunt with a bow and arrow or crossbow within the specified distance of the building. ^{it}

Under current law, no person may hunt within 1,700 feet of a hospital, sanatorium, or the grounds of a school. This bill specifies that this prohibition ^{only} applies to a person who is hunting with a firearm.

INSERT 2-8

1 b. "Restriction" means an ordinance, regulation, resolution, or other restriction
2 enacted or adopted by a local governmental unit.

INSERT 2-17

3 ^{may} ~~or~~ adopt a restriction that prohibits a person from hunting with a bow and
4 arrow or crossbow within the jurisdiction of that local governmental unit.

5 3. A local governmental unit may enact or adopt a restriction prohibiting a
6 person from hunting with a bow and arrow or crossbow within a specified distance,
7 not to exceed 100 yards, from a building located on another person's land. A
8 restriction enacted or adopted under this subdivision shall provide that the

- 1 restriction does not apply if the person who owns the land on which the building is
- 2 located allows the hunter to hunt within the specified distance of the building.
